Dear REDAS MEMBERS AND FRIENDS

INAUGURAL REDAS SUSTAINABLE DEVELOPMENT FORUM 2023

We are pleased to inform you that REDAS will be hosting the Inaugural Sustainable Development Forum on **Friday, 16 June 2023**. It will be held from 9.30am to 2pm at the Orchard Grand Ballroom at Level 3, Orchard Hotel, 442 Orchard Road, Singapore 238879.

We are privileged to have **Ms Grace Fu, Minister for Sustainability & the Environment** as our Guest-of-Honour (GOH) for this event.

Decarbonisation, sustainability, and digitalisation are big on the national and global agenda. The green transition is a long-haul process, one that is at a critical point as the built environment accounts for 39% of global carbon emissions. This gives us an opportunity to leverage our positions in the value chain to reduce emissions and influence our stakeholders for a positive green transition through our practices, resources and sharing of expertise.

Themed **“Sustainable Development: The Leadership Journey”**, this inaugural event aims to showcase developers’ sustainability journey and the actionable strategies that the real estate industry can adopt to integrate sustainability into their businesses for long term success, and how collective leadership across organisations can help to transform and steer our ecosystem of business partners and organisations towards decarbonisation. Participants can also look forward to insightful discussion with our GOH and expert panellists on how companies can start out on their sustainability journey and assess green financing, thus advancing the green agenda, building the relevant “green” capabilities and developing a valuable eco-system of green network and growth opportunities.

We look forward to your strong participation. Please find attached the [Registration Form and Programme](#). For more details, please contact the REDAS Secretariat at Tel: 6336 6655 or email to: redas_secretariat@redas.com.
