BuildSG LEAD Forum 2021 Series

Towards a Collaborative BE Sector through Procurement Practices

21 May 2021 • 2.30pm to 4.30pm • Complimentary Webinar

As the industry rebounds and navigates ahead towards resilience, it is timely to continue the conversation on industry transformation and capability development through progressive procurement practices in the first session of BuildSG LEAD Forum this year.

This forum provides insights on how procurement practices could build resilience and transform businesses as our speakers share their contracting procurement journey from collaboration and participation by stakeholders to bring about greater collaboration to achieve better project outcomes for the construction value chain.

This forum will be delivered online and is jointly brought to you by the Building and Construction Authority (BCA), JTC and Real Estate Developers' Association of Singapore (REDAS).
