Engaging Communities, Building Resilience

21 June 2021, Monday

09:00am - 10:15am Singapore Time (GMT+8)

Source: CLC

Top-down solutions are increasingly inadequate in preparing communities for disruptions on the ground. Communities need to self-organise and self-mobilise as first responders and community movers. How can mayors and city leaders engage and work with their communities to nurture community leaders for more resilient cities?
