7 July 2021

Dear Members,

Phase 3 (Heightened Alert) Safe Management Measures for Show Galleries Effective From 12 July 2021 Onwards

1. As announced by Multi-Ministry Taskforce on 7 July 2021, existing Safe Management Measures (SMM) will be relaxed from 12 July 2021 onwards.
2. **From 12 July 2021 onwards, food and drinks may be consumed within the show gallery, subject to a group size of not more than 5 and 1m safe distance between groups.**
3. Prior to 12 July 2021, the current SMM as set out in our advisory on 18 June 2021 will continue to apply to all show galleries. For new show galleries, please submit the SMM checklist, in the attached format, at least 2 working days before opening your show gallery.
4. Developers who have closed the show galleries after 10 June 2021 should inform the Controller in writing by 14 July 2021.
5. As the situation is evolving, please continue to keep abreast of the latest announcements and take immediate steps to comply with the new requirements. We seek your understanding and cooperation to reduce the risk of transmission of COVID-19.
