Dear REDAS MEMBERS & BUSINESS PARTNERS

As part of REDAS' ongoing effort to drive industry collaborations, we are pleased to inform that REDAS will be co-organising a forum with the Singapore Land Authority (SLA) on **20 September 2024 (Friday)**.

The REDAS-SLA Forum comprises 2 focused tracks, to promote engagement between the real estate industry and the government, facilitate technology knowledge transfer and enhance understanding of current industry and business challenges. The forum will be held from **9.30am to 2.30pm** at the Orchard Grand Ballroom at Level 3, Orchard Hotel, 442 Orchard Road, Singapore 238879.

Participants will gain a deeper understanding of opportunities to collaborate with SLA for the adaptive reuse of State properties, and discuss the challenges and opportunities in mainstreaming Geospatial applications for the real estate sector. The Forum also showcases various use cases of geospatial technology such as SiReNT. Indeed, Geospatial technology has evolved rapidly and offers unprecedented opportunities for the real estate sector to enhance decision-making, navigate complex markets and mitigate risks effectively.

We look forward to your participation. Please find attached the Registration Form and Programme. For more details, please contact the REDAS Secretariat at Tel: 6336 6655 or email to: redas_secretariat@redas.com. Thank you.
